An employee who is transferred, reallocated, or promoted to a position in a class in a pay grade higher than that of the class from which the employee is transferred shall be paid the job rate of the new class, provided however, that an employee who, prior to transfer, was paid at a salary rate higher than his/her job rate shall upon transfer, be paid at a rate which is the sum of job rate of the new class plus the differential between the employee's former salary rate and the employee's former job rate; provided further, that no employee so transferred or promoted shall receive more than the highest paid employee in the City in the same classification. An employee who is transferred to a position in a pay grade lower than that of the class from which the employee is transferred shall be paid the job rate of the new classification; provided however, that an employee who, prior to transfer, was paid at a salary rate higher than the job rate for his/her classification shall, upon transfer, be paid at a rate which is the sum of the job rate of the new class plus the differential between the employee's former salary rate and the employee's former job rate; provided further that no employee so transferred or promoted shall receive more than the highest paid employee in the City in the same classification. An employee who, for disciplinary reasons or at his/her election in lieu of a layoff, is demoted to a class position in a lower pay grade shall be paid at the job rate for the position to which the employee is demoted.

In addition, effective for position classifications assigned to the letter-designated pay graded A through K:

Shift premium. Employees working on the evening or night shift shall receive a fifteen cents per hour shift premium. Employees working on a swing shift shall receive a twenty cents per hour shift premium.

Incentive pay. Personnel in the Environmental Laboratory, Treatment Operations, Transmission and Distribution, and Meter Services sections who achieve state certification, but are in a non-operator classification shall receive a 10¢ (ten cent) per hour incentive pay premium.

Treatment Operations. Treatment plant operators must have the license for the classification they hold.

The following position classifications have been assigned to pay grades 19-31. The maximum rate of pay for an employee who is transferred or reallocated to a position in a class in pay grades 19-31 or whose classification is re-assigned into or within pay grades 19-31 shall be as prescribed in the salary ranges below. Provided, however, that nothing in this section shall be construed so as to allow an employee in any of the following classifications to receive more than the amount specified in Section I of this ordinance.

<u>PAY GRADE</u>	<u>CLASSIFICATION</u>	<u>SALARY</u>
19	Accountant Assistant Superintendent Maintenance Communications and Security Superintendent Computer Operator Field Engineering Specialist Staff Assistant/Office Manager	15,365 - 17,725
